

LOCKDOWN NOTICE

regarding Divine Services at
First Lutheran Church
Windsor, Ontario

The Province of Ontario placed the City of Windsor and surrounding Essex County on "lockdown" as of 12:01 a.m. on Monday, December 14, 2020. This limits to 10 the number of people who can gather for religious services – including weddings and funerals – for at least 28 days. (We will learn later whether this lockdown will be extended.)

Because our gatherings regularly involve far more than 10 people, the First Lutheran Church Council has determined again – with sorrow and regret – to suspend public Divine Services in our church until the situation changes. Sadly, this means also that the festival services of Christmas and its 12 days cannot be held here in person.

This notice supersedes all other announcements and schedules published on this website.

We continue to provide online preaching services for each Sunday, and will produce additional ones for Christmas Eve (in German and English) and Christmas Day (English only). Please visit our *YouTube* channel also by clicking on the link at the top of this page. This will give you access to all the services produced since the initial Covid-19 restrictions in March, 2020.

If you need otherwise to contact us or need further information, feel free to call our office on weekdays at (519) 256-2667 or via e-mail to pastor@firstlutheranchurch.ca.

May God in His mercy keep you – and others in our community – safe and healthy. And by the saving Gospel of Jesus Christ, may He draw you close to Himself. A blessed Christmas and New Year to all reading this notice!
