

# SUNDAY MORNINGS AT OUR CHURCH

## As of January, 2026

First Lutheran Church, Windsor, Ontario

### **8:45 a.m.      Adult Bible Class (*in the Auditorium*)**

Pastor Bugbee's Sunday class is open to everyone; no advance registration needed ... just show up, 8:45-9:40 a.m.! After a year of heating challenges, we plan on returning to the church Auditorium. Join us ... just find a free seat ... Bibles and study notes are provided to all participants!

### **10:00 a.m.      Divine Service (*in the church proper*)**

This gathering is the cornerstone of our life together! It's rooted in God's Word read and preached, in the prayers of the church, and in the singing of His people (through our choir and full congregation). Visitors are always welcome, even if they are "seekers" who don't yet know much of the Christian faith or don't yet confess Christ.

Holy Communion is celebrated in these services on the 1<sup>st</sup>, 3<sup>rd</sup> and 5<sup>th</sup> Sundays of every month. Baptized visitors from outside the fellowship of our churches are welcome to come forward during the distribution to receive a baptismal blessing, if they wish.

### ***Food Bank Emphasis – 2<sup>nd</sup> Sunday of Every Month***

We encourage members and friends to bring in non-perishable groceries (mostly canned and boxed items) on the second Sunday of the month. There are receptacles at both major entrances to our building plant where you can place them. Groceries are forwarded to our friends at Peace Lutheran Church, which maintains a very effective and well-run Food Bank. This is a strong way of supporting the needy in our community.

### ***Our YouTube Channel***

At the top of this page, click on "Our YouTube Channel," to find our collection of Sunday and special services, more than 338 videos with over 100,000 views. If you cannot attend worship in a given week, make a point of watching these online preaching services. Invite loved ones and friends to watch, too!

### ***Christian Education for Children – Coming in February!***

We've got a committed team of co-workers preparing to resume regular teaching, activities and singing with school-age children in late February 2026. This has been a long time in coming, and we're looking forward to welcoming boys and girls from our church family, as well as friends and guests they may want to bring along. Stay tuned for updates in the coming weeks!
